## HORIZONS

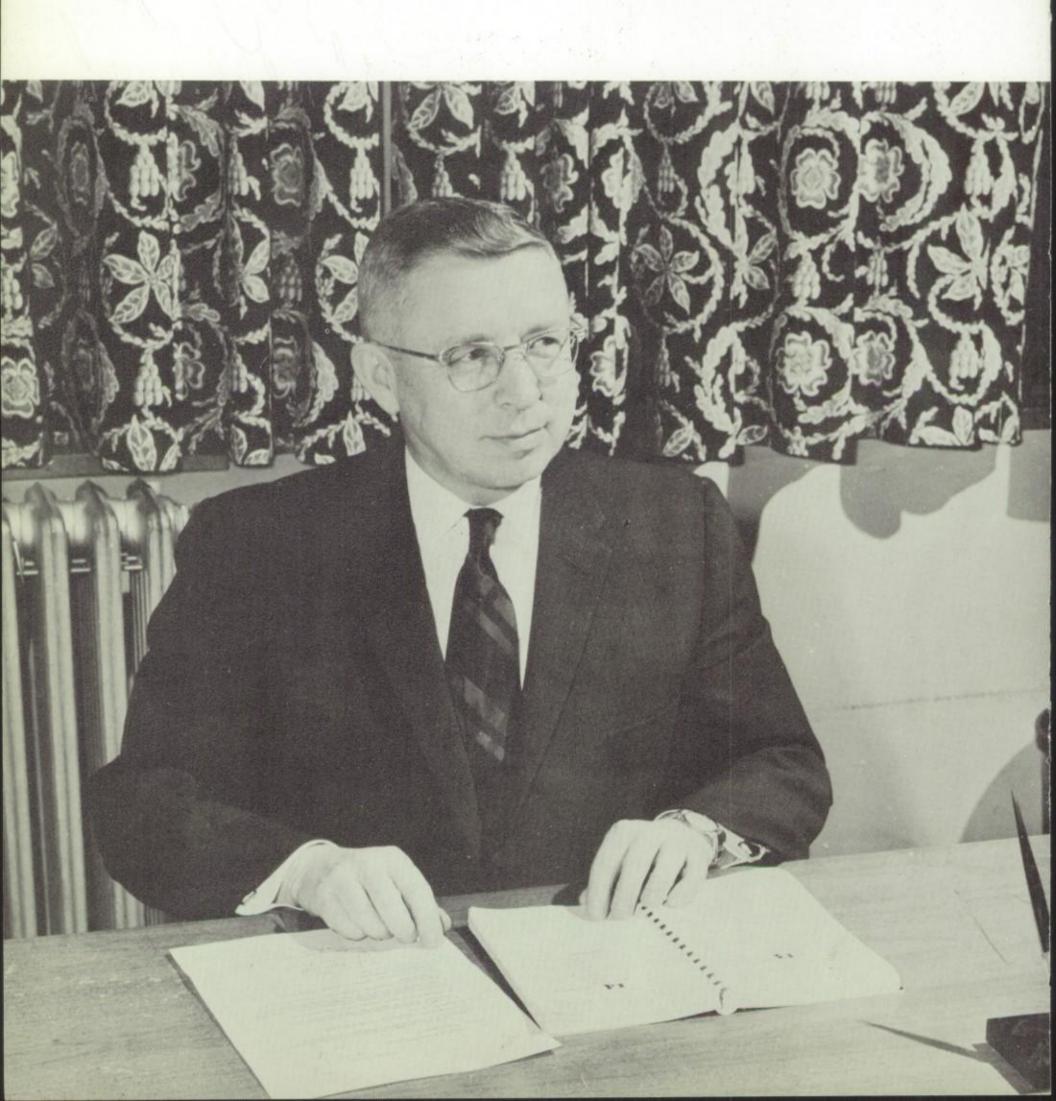

The world stands out on either side
No wider than the heart is wide;
Above the world is stretched the sky,
No higher than the soul is high.
The heart can push the sea and land
Farther away on either hand;
The soul can split the sky in two,
And let the face of God shine through.
But East and West will pinch the heart
That cannot keep them pushed apart;
And whose soul is flat—the sky
Will cave in on him by and by.

Edna St. Vincent Millay

## **Supt. Kiester Broadens Horizons**

Completing his eighth year as administrative head of Thornton Fractional District Number 215 is Superintendent Jackson Kiester. A veteran of the teaching profession, Mr. Kiester exercises dynamic leadership, carrying out educational policies designed to extend the horizon of each T.F. student.

## They Supervise Our Education

The members of the Board of Education faithfully directed our school policies throughout the year. These men worked unheralded but diligently behind the scenes to find ways to improve the school.

The success of this year was due in part to the efforts of the Board of Education whose help has been appreciated by the students.

In his administrative position, Principal Aitken Young helps to solve student's problems and guides them when they are in need of assistance. Mr. Young's enthusiasm while working with students has made him a favorite at T.F. North.

## They Serve That We May Learn

As we journey along that road toward our horizon, these who guide us on the way are our teachers. Thornton Fractional is fortunate to have a well-rounded faculty of men and women, many of whom possess Masters' degrees in their fields. We owe them much gratitude for providing us with an education of which we will be proud. Teachers, however, are not only instructors; they are often real friends who are more than willing to help us if we only ask One of our new teachers commented that here at TF, students and teachers are very close.

We often forget that a teacher's work isn't over at three or four o'clock. Besides having after-school conferences, teachers spend many hours with the extra-curricular activities they sponsor, they serve as ticket salesmen, chaperones, and supervisors.

That's where you come in, Miss Jaacks, for you have given more of yourself to us than we realize. You not only make your biology classes interesting and fun but you are that "spark of energy" behind practically every event

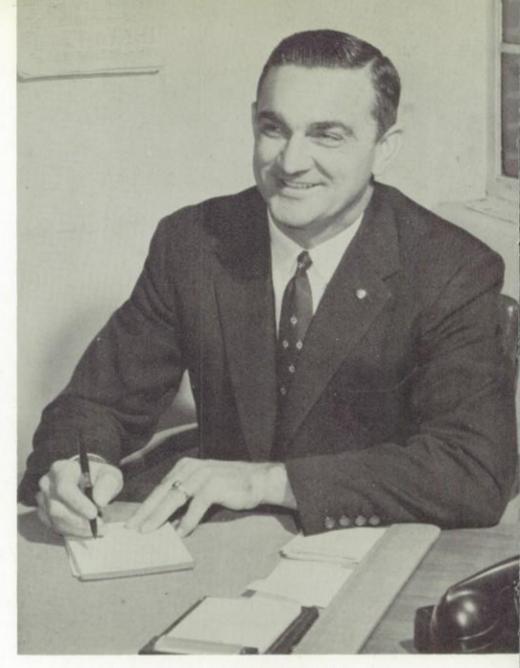

here at school.

You are the presiding genius in room 126 where you're often busy counting stacks of students' dimes and quarters; it is you who makes it possible for us to enjoy many activities at modest expense.

We see you in your familiar brown hat at games, dances, socials—everywhere. We don't know what your secret source of energy is, nor do we know what we would do without you.

## Deans Guide Student Body

Counseling is considered an important part of the modern school. TF boys have an understanding friend in Mr. George Sobek, Dean of Boys. Personable and eager to be of help, Mr. Sobek strives to make education a valuable and profitable experience.

MR. GEORGE SOBEK Dean of Boys

MISS KATHERINE BRAZZILL
Dean of Girls

Miss Katherine Brazzill, Dean of Girls, gives the students of TF the benefit of her wide educational experience through counseling in both personal and scholastic matters. She also acts as one of the school's registrars.

## Clubs And Activities Spark T.F. Life

At T.F. North there are many clubs and organizations that enable the students to sample and perhaps discover a real interest.

T.F. North's marching and dance bands serve as shining examples of cooperation among students who develop their musical talents and entertain others as well.

Boys' Club and Girls' Club encourage students to improve their school and to realize that to get any knowledge or understanding from T.F., one has to contribute something of himself.

The debate and speech teams encourage speaking in debate, oratory and extemporaneous speaking. Our future leaders might well rise from this self-expression program at North.

The Future Teachers of America gives a career preview to its members who will be the instructors of the future generation.

Future Nurses helps its members to gain knowledge of the medical field as they pave their way toward caring for the sick.

Distributive Education, Library, and Art Club show students the practical and creative aspect of the life that lies ahead of them.

The Stage Crew works behind the scenes setting the stage, while drama enthusiasts display their histrionic ability. Through Dramatics Club, future Thespians further their special interest in expression.

Ideas of several interest groups meet in the Presidential Advisory Board. The leaders of the various school clubs and organizations pool their thoughts and talents in this outstanding school organization while arranging various school affairs.

The Girls' Athletic Club attracts the sports-minded girls at North, while the Terrapin Club lures skillful swimmers into its ranks.

The Science Club gives its members a chance to work on laboratory projects as well as to maintain a weather station on the school roof.

### P.A.B. Heads School Activities

The Presidential Advisory Board, better known to the students as P.A.B. consists of presidents or representatives of the various organizations at T.F. North under the guidance of Miss Katherine Brazzill. It functions as a student body which decides important school matters.

Besides acting as a governing body, members of P.A.B. organize such important annual events as the Carnival, Homecoming, and the Charity Dance.

The organization was also instrumental this year promoting school spirit by sponsoring Tie Day, Sweatshirt Day, Shoe Day, and Paper Hat Day—all special days prior to major sports events.

## Leadership, Goal Of Boys' Club

Friendship, leadership, and service has been the Boys' Club motto ever since it appeared upon the horizon in 1930. To follow through with their aims, the club sponsors over twenty dances throughout the school year, a Father-Son party, a refreshment stand, and one of the three semi-formal dances held each year, the Boys' Club Dance. Even though all boys are considered members, not all are active. To compensate for this situation the club has twenty-five active members called the Boys' Club Board. To become a board member one has to be an active member as well as keep a "C" average.

### GC Board Devotes Their Time To Service

Widening the spirit of democracy, friendship, and service and ultimately, horizons is the job of the Girls' Club of Thornton Fractional North.

Under the direction of Miss Irma Stefanini, and girls present annually a Girls' Club Dance, the Mother and Daughter party, Dads' Night, and a Big'nLittle Sister party. The club also supplies Thanksgiving baskets to needy families and, throughout the year, makes dolls and animals to send to hospitals and children's homes.

### Scientists Explore The Unknown

Facing a certainly unlimited horizon are the members of the Science Club. It is their aim to expose the students interested in science to the various tools available to them in the school's department.

Members participate in field trips, read the club weather station, build individual projects, and give talks on topics of their own choice.

The members may earn pins and attend the annual picnic at the end of the year. Science Club also sponsors a social for TF North students at the end of the year.

The Library Club, under the supervision of Miss Francis Hunnell, consists of students who devote their spare time to working in the library at various clerical tasks such as taking care of the circulation desk and magazine desk, keeping the shelves neatly in order, filing the catalog cards, and running errands. These helpers assist the students during study periods and before and after school, thus enabling the library to operate more efficiently.

This year, Library Club successfully sponsored their second Book Fair to encourage the student body to make more book purchases and thus stimulate wider reading.

As a final event in a year of cooperative effort, the club holds an annual banquet at which the officers for the following year are elected.

"Bishops," "pawns," "kings," and "queens" are familiar words heard at after school sessions of the Chess Club. Under the sponsorship of Mr. Walter Knowles, the group welcomes present checkmaters or those eager to become devotees of the game.

Furnishing the cheerleaders with moral support, the Pep Club members were always on hand to generate school spirit. The main duties of the club this year included a concession in the Carnival and the sale of "Spirit Boosters" which were pamphlets carrying the school cheers. Miss Sharon Foote is the sponsor.

## Effective Speaking

The Debate Team of TF North is a hard-working group, whose many hours of practice are evident in their excellent record. Debating with area schools such as Hammond High, Morton, Clark, and TF South, the team belongs to the Metropolitan Debate League. The debaters took part in the Northwestern Tournament, finishing in sixth place out of the twenty-nine schools entered. Mr. Vincent Peterson's able coaching was instrumental in their success.

The Debate Team completed the season with a record of 46 wins and 29 losses. They qualified for the State Finals held at Champaign-Urbana and went on to tie for 9th place honors.

Members of the Speech Team agree that they receive a great deal of satisfaction from their chosen activity, which essentially involves presenting a selection in oral competition. TF North joins other area high schools in speech competition in the following categories: humorous, dramatic, and poetry readings; oratorical declamation, extemporaneous speaking, and original compositions. Entrants in the events are judged and points are awarded according to rank. TF speakers participated in many events throughout the year under the direction of Mrs. Marlene Elenteny.

### National Forensic League

The National Forensic League is an organization designed to encourage high school participation in speech throughout the country. A Speech Club member becomes a member of the NFL after obtaining twenty-five points in various speech meets held in the area. Points are accumulated in competition with other schools in such fields as debate original oration, extempore speaking, dramatic, humorous interpretation, and radio speaking. After winning the first twenty-five points, three degrees can be obtained: the Degree of Honor at Seventy-five points, the Degree of Excellence at one hundred and fifty points, and the Degree of Distinction at two hundred and fifty points.

### They Earn While They Learn

The Distributive Education program at T.F., under the direction of Mr. Donald Strait, gives qualified job-minded students the opportunity to acquire a better understanding in the areas of sales, displays, and advertising and provides practical experience by on-the-job training. The classroom phase of the course meets two hours a day, and after school students practice what they learn at their own jobs.

This year D.E. students have sponsored a bake sale and sold candy to raise money for an employer-employee banquet. Also on their agenda for the year was the trip to Springfield to attend the state convention.

#### DISTRIBUTIVE EDUCATION OFFICERS

Judy Jones, secretary-treasurer ;Larry Schneider, vice president; Barbara Kaczmarski, president.

### Student Leaders Relieve Teachers

The Physical Education Department has in recent years instigated a new program of using P.E. leaders. The leaders include the best senior athletes chosen by the gym teachers from a special leadership class in which they participated during their junior year.

The leadership class is made up of juniors who show leadership in sports through their freshman and sophomore years. Members of leadership classes prepare booklets in which they put the histories and rules of the sports. Besides learning about the sports, members learn how to lead and conduct classes in the absence of the teacher.

As class leaders in their senior year, the students help in taking attendance, leading the exercises or refereeing the games. A leader helps widen his own horizons by learning while he is teaching.

### Are In The Spotlight

Each production requires the aid of each club member. There are posters to distribute, programs to design, tickets to sell, costumes to make, make-up to apply and hundreds of other things to do. When the curtain falls on a production, T.F.'s Dramatics Club members are already starting work on another project.

### Their Pleasure Is Pleasing Others

The production of plays requires much behind the scene work. The stage crew is composed entirely of TF boys who like to build such things as sets for plays and other stage requirements. For example, the microphones and all other means of electrical equipment needed for assemblies are set up through the efforts of this group.

A scene from "Gidget"

Steve Borbely and Danella Evans share a tender moment in "Rebel Without A Cause".

# Gidget, Rebel Dramatic Presentation of Year

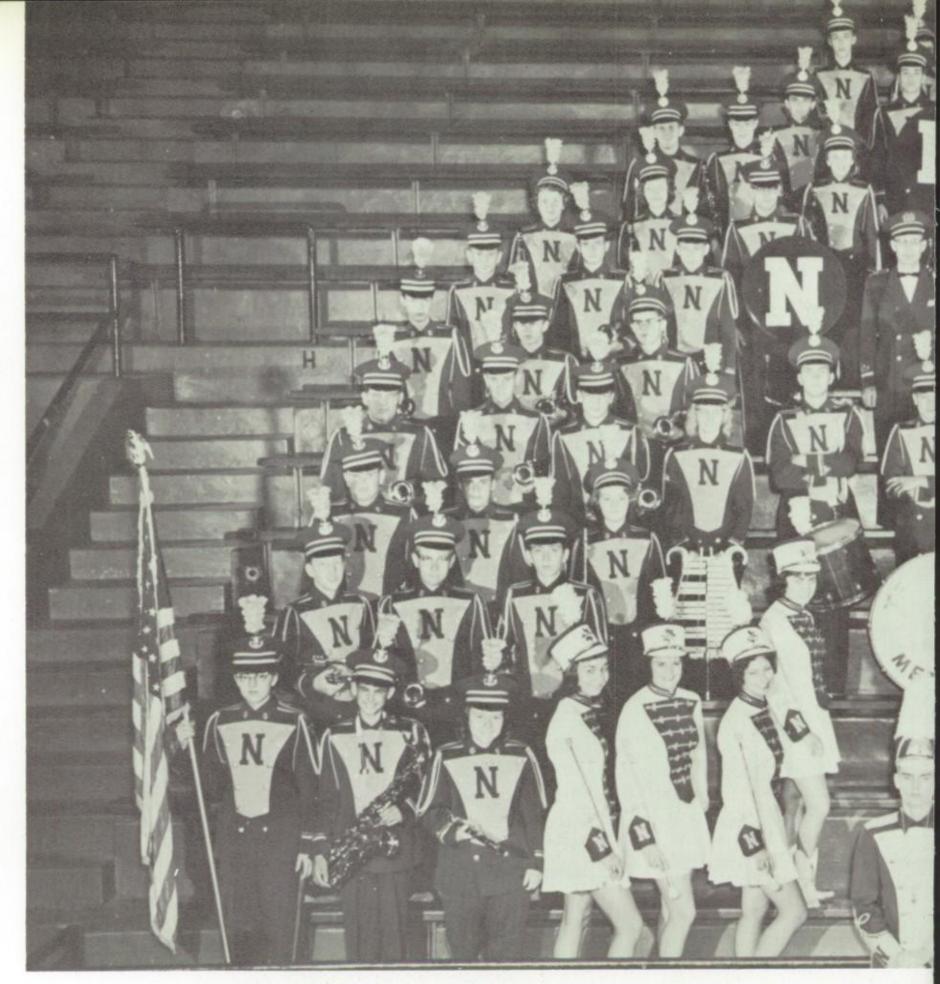

This year's fall play, directed by Miss Luanne Brady, had a different theme from that of the usual high school production. "Gidget," whose main character a college girl, played by Janice Ciastko, had Malibu Beach as its setting. The play featured the summer holiday of a college group and was highlighted by the "romantic high-jinks" of "Gidget" and Moondoggie, played by Steve Borbely.

Drag races! Gang fights! The Fractional Players presented "Rebel Without A Cause" for their 1960-61 Spring Play production.

In this scene taken from the second act Mr. Stark, played by Jim Dempsey, is being attacked by his son Jim, played by Steve Borbely, and other gang members watch with interest and horror.

### Their Music Shall

The T.F. North concert and marching band is well known for its appearance at school and civic affairs. Under the direction of Mr. Jack Wonnell and Mr. John Smely the band spends hours of practice in order to add a spark to all the events they take part in. The handsome blue and gold uniforms are seen at the spring and winter concerts, school assemblies and in area parades.

### Forever King

The main purpose of the band is to enable the students interested in music to develop their talent and to earn a band award and service bars, by receiving points for attending rehearsals, contests, and public appearances. Because of their enthusiasm, skill, and energy the band and its twirlers have earned many awards.

### They Were Singing Ambassadors

The Northernaires, T.F. North's versatile singing group, represents the school at many social and civic functions in the area, including appearances at various churches and banquets. Thornridge High School, Woodmar Country Club, and Good Will Industries have been the scenes of 1960-61 appearances. The chorus appears annually in the Carnival stage show and at the winter and spring concerts.

Tryouts, under the direction of Mr. Jack Wonnell, are held in the spring for the purpose of replacing graduating seniors.

### Harmony Is Their Goal

The Advanced Chorus, under the direction of Mr. John Smely, is T.F. North's only "all girl" musical group. The chorus is composed of upperclass girls who have previously had some musical training. The chief aim of this chorus is to obtain training preparatory to future membership in the Northernaires.

Attired in purple robes with gold scarfs, this group appeared at various school functions, including the annual winter and spring concerts, when the entire North musical department participates. This year the girl appeared in the annual Carnival, portraying Indian maids as they gave their rendition of "Pale Moon".

- Row 15: Carol Langley, Sonia Kroslack, Lois Jakubczyk, Gloria Coleman, Irene Bona, Jackie George, Carol Ludwig, Pat Stratton, Maria Araujo.

The Freshmen Mixed Chorus includes both freshmen girls and boys. The chorus is used as a training choir for the Advanced Chorus, which consists only of girl's voices. The boys, after completing one year in the Freshmen Chorus, have a basic training for the Northernaires, which has as a requisite some previous musical experience.

Under the direction of Mr. Smely, assistant music director at T.F.N., the freshmen are taught fundamentals of music, and singing in three part harmony. This chorus grows larger every year as each incoming class increases in number. Next year's chorus will be divided in two, and it will consist of a Freshman Mixed Chorus and a Freshmen Girls' Chorus.

These choristers practice every day, but give only two main performances at the Winter Concert and the Spring Concert, joining forces with all the choral and musical groups of the department. The choristers have performed for the Parents' Club, and lend their talents to various school affairs.

### Terrapins Acquire Skills

The Terrapin Club is composed of girls who have grace, rhythm, and ability to swim well. These girls practice ballet skills and various strokes at their meetings every Thursday in order to prepare for the Carnival swim show.

Before a "guppy" becomes a member she must pass a test on the various strokes and skills. The tests are given under the direction of Miss Mary Shemaitis, sponsor of the club.

Each year Terrapin participates in the Carnival swim show, sponsors a dance for TF North students, holds a splash party for the club and the swim team. A picnic in May constitutes the last meeting of the year.

### Lettermen Comprise Monogram Club

The Monogram Club consisting of varsity lettermen, was started as a service organization to the school. Its duties include providing ushers for school assemblies and all home basketball games and supplying monitors for lunch dismissal in the cafeteria..

This year the Monogram club operated on a new basis. It aroused the interest of the students in coming athletic events and introduced intramural sports program designed to allow more boys to participate actively in sports at T.F. All of these services provided by the club help the members to understand better the meaning of good sportsmanship and gives them an opportunity to compete with each other.

At the close of the school year, the club held its main social activity, the annual picnic.

### Prom, A "Misty" Memorable Night

In keeping with a popular song, "Misty" was selected as the theme of TF North's 1960 Junior-Senior Prom. Hues of blue laced with white were chosen to serve as the decor for this gala.

At the Prom the TF'ers danced to the musical strains provided by Michael Golden and hs orchestra.

An after-Prom party at the Saber Room in Oak Lawn was the finale to a night that will be the topic of reminiscences for years to come.

Misty memories will remain with June Kramer and George Tkacz.

### They Work With Words

The Journalism Class is composed of juniors and seniors who are interseted in writing and working on the publication staffs as well as studying news writing. From the Journalism Class the next year's Chronoscope and Thorntonian staffs are chosen. The class edits the "Cub" edition of the Thorntonian as a class project in the spring.

A staff of juniors is chosen every spring to compile and edit TF Norths Guide Book, a manual which explains the school's program and lists in the form of a calendar the schedule of events for the entire school year.

Without the capable assistance and direction of Miss Mildred Pidgeon, this year's Chronoscope could not appear on our horizon. Miss Adeline Jaacks, one of those indispensible people, is the financial manager of both the Chronoscope and the Thorntonian. Without her faithful assistance, the 1961 Chronoscope would not have been published. The editors of the Chronoscope would like to extend their thanks to her.

Mary Strycula, Editor in Chief.

Without these students who made up the staff and who devoted innumerable hours to the development of the Thorntonian, the students of TF North would have had little or no idea concerning various events, social activities, and clubs, not to mention holiday anticipations and sports reviews.

The Thorntonian has introduced a family spirit into the high school, for through it students learn more about their classmates and get to know them better.

In the twelve issues of the Thorntonian, the story of TF North High School in the year 1960-61 was told through the combined efforts of the staff.

# The Staff Scoops the School

Sniffing out the news, scurrying around selling ads, copy reading, counting headlines, triumphing over an occasional "scoop" were all in a day's work for this year's Thorntonian editor, Mary, and her assistant editors Barbara and Diane. Along with the efficient staff they endeavored to keep the student body and the faculty well informed on important happenings and events around TF North. What staff member will ever forget the hours of "leg work," the endless writing and re-writing, the routine work of checking vital statistics, and the ceaseless "nosing around for news", which were a few of their other countless responsibilities.

Reporters: Marge Bublis, Mike Klein, Jackie Kwasniewski, Lana De Marte.

### They Tell The Story Of The Year

What is the Chronoscope? To you it is a book-a book that has captured a part of your life at Thornton Fractional North-but still a book. But to the Editor, Jackie Kwaskiewski, and her staff, the Chronoscope is more—it is a day last spring when the theme was chosen-hours of picture taking in the autumn which developed it into realitymonths of pressure and pleasure to complete itand the final moment of delight and satisfaction when the staff gazed with admiration at the year's endeavor-the 1960-61 Chronoscope.

### Athletes Open Way To New Horizons

Athletics play an important part in the lives of most boys. Certainly a boy who is active in athletics is facing unlimited horizons, for in athletics he learns to work with others toward an

ultimate goal, victory.

He will have to work with others for the rest of his life, so if athletics prepares him for this, he will be accustomed to co-operating with others and will have a head start over the boy who shows no athletic interest. However, while working with others toward that victory, he will meet another group that is striving for

the same goal.

This competition will also help to prepare the young man for any road of life he may choose to follow. The road to Man's ultimate horizon, success, is not one paved with gold. He will certainly compete with other travellers who are trying to pass him. When he meets these people, he will have to accept either victory or defeat.

If he is victorious, he will have learned to accept victory graciously; and in a way that will show the opponents that

he has enjoyed the competition.

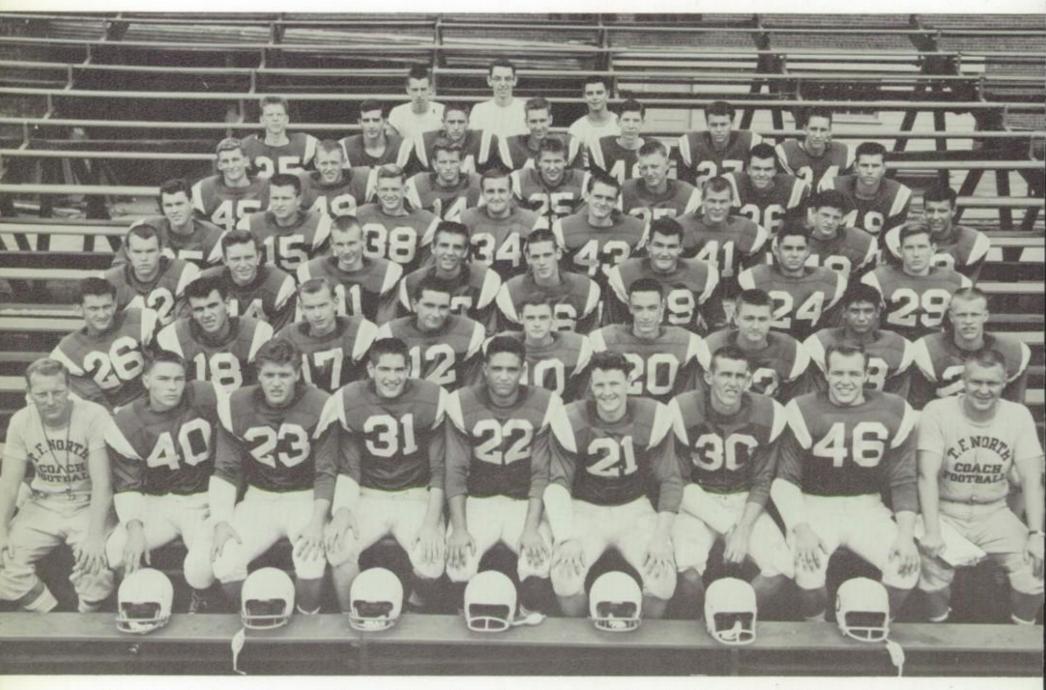

On the other hand, if he meets with defeat along that road, he will be prepared through past experience to cope with this. He will not hold a grudge against the other fellow, but he will congratulate him on the victory and promise himself that he will try harder next time.

The boys who are pictured on the ensuing pages are those in whose hands rested not only their own honor and reputation as athletes, but also that of Thornton Fractional North. These boys devoted many hours to developing and practicing their respective skills so they would be prepared to meet any opponents and give them good competition. These boys have been trained, not only in the physical area of athletics, but also in the mental area, that of team spirit.

It is the team spirit that helped them stay banded together in competition. This same team spirit will serve the boys for the rest of their lives whenever they

have to share responsibility.

# Aquanauts Rely On Underclassmen

This year the Meteor swimmers won 7 out of 17 meets. Two of these victories were forfeits.

Out of the ranks of the team came an outstanding freshman diver who placed 20th in the state. This boy, Robert Walker, was competing against others who had from one to four years of experience. Sophomore Allen Fedosky was high point man during the regular season, compiling a total of 151 and 3/4 points.

The Meteor "grapplers" under the direction of Coach Al Vega compiled a seven win and nine loss record. Sparking the team this year were seniors Bob Hopp and Joe Young, helped by sophomores Romeo Casiano and Ed Albiniak. For the second consecutive year the wrestlers placed in the upper ten in the Illinois State High School tournament.

The Meteor diamond men show an early spirit of determination to win. Coach George Sobek was very much pleased with the large turnout of prospective players. The boys were plagued by weather during the early part of the season but pulled through in good form.

### Cindermen Have Weather Trouble

The Meteor tracksters coached by Mr. Walter Horvatich, moved outside in the early part of April to practice their events in the same atmospheric conditions they would encounter in actual competition. The boys, although playing a short season, put much effort into their practice sessions as an indication of willingness to meet their opponents. The sports staff regrets that the deadline prevented us from giving the readers the seasons results.

Bill Myers starts a record breaking attempt in the 220-yard dash.

Zenny Tymochko clears the last hurdle on the way to the finish line.

# Sophomores Arouse Hope

Row 1: Coach Jim Swanson, Ron Matula, Bernard Lewis, Ed Bell, Dominic Femminella, Jasper Mangiarasina, Romeo Casino, Coach Robert Richards.

Row 2: Manager George Korpella, Walter Zilinski, Joe Tratar, Dave Vesolowski, Roger Warchol, Michael Weiland, George Young. Row 3: Joe Pejka, Dave Carden, Gary Benedict, Wane Gapsiewicz, Jim Wojcikiewicz, Don Brown, John Schrum.

Row 4: Ed Albinak, Allen Fedolski, Terry Bartos, Gerald Benninghoff, John Reichley, Jim Walker, Ken Arney.

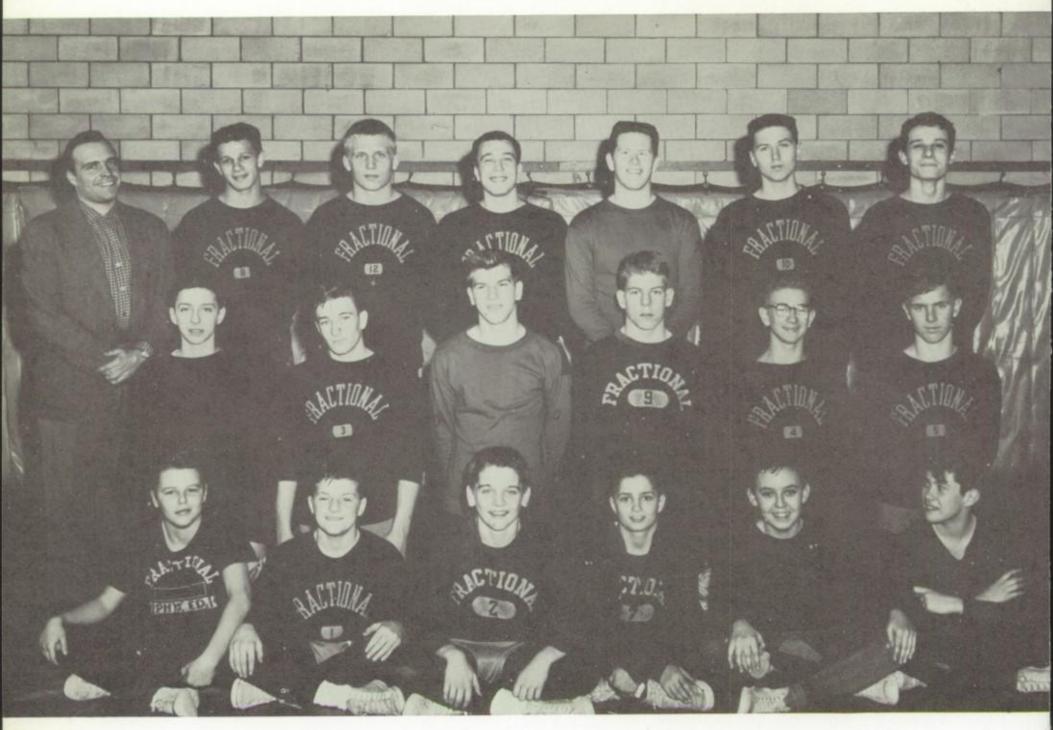

The sophomore football team, the team showing the most improvement this year, posted a season mark of 5 wins and 3 defeats against last years' record of 1 win and 7 defeats.

# Sophs - The "Building Blocks"

Row 1: Coach Don Spoerner, Dave Vesolowski, Bill Douglas, Gene Sabo, Gil Brazel, Jon Taylor, Dennis Stanek, George Serdar. Row 2: Wayne Puckett, Skip Zdanowski, Jack Wittenhagen, Bob Sokolowski, Kelley Lendabarker, Ron DeRosa, Larry Hagerman.

This year something new was added to the Meteor basketball program. Coach Don Spoerner used nine freshmen on the "Sophomore" basketball team. The secret of Coach Spoerner's success with the large percentage of freshmen might well be that he believes in physical conditioning.

Row 1: Allen Kurowski, Tom Zasada, John Stalmack. Mike. Schutz, Jim Payton, Joe Barry.
Row 2: John Bysong, Rich Kolangowski, Roger Warchol, Ed Bell, Stan Bonic, Fred Bolda.
Row 3: Coach Swanson, Jim Walker, Jim Wojcikiewicz, John Schrum, Ben Lewis, Bill Lyons, Dennis Bartos.

# Sophs - Tourney Winners

The Frosh-Soph wrestling team was coached by Mr. Jim Swanson. The boys took a first place in the Rich Invitational Tourney and placed second in the Sophomore State Meet held at Reavis High School. They compiled a season record of 9 wins and 4 losses.

Coach Fedosky was pleased with the large turn-out of freshmen and sophomores this year. The team was hampered by the loss of two freshmen, Bob Walker and Mike Edwards; and three sophomores Al Fedosky, Leo Bonin, and Joe Trater who served on the Varsity team. The use of these boys will undoubtedy fortify the varsity team in future years.

# Sophs Show Spirit

The Meteorite baseball team has given Head Coach Sobek a lot of wishful dreaming lately about the district champions he is likely to have in several years. With a group of "hungry" ballplayers, Soph Coach Boroian assures Coach Sobek of many a winning season to come.

Row 6: Ron Watroba, Tom Luberda, Chuck Blank, Jim George, Mike Kicinski, Jim Vesolowski, not in picture Jerry Bialker.

Obtaining the best record at T.F. this year was the unbeaten freshman football team. Much credit for this feat should go to coach Bob Richards. He not only worked with boys who had never played football before, but also formed them into a winning team.

# Freshmen Have Winning Year

Row 1: Ray Davis, Larry Colgan, Rich Dombrowski, Rich Crane, Gary Hartley, Sam Sanders.
Row 2: Mark Malak, Tom Berwanger, Ken Orr, Robert Herman, Rod Crawford, Greg O'Rourke.
Row 3: Coach Don Hakes, Harold Reddington, Mgr.

The Freshman basketball team finished the season with a record of six wins and five losses. Considering the fact that this is the first season these boys have worked together as a team, they are a tribute to their coach, Mr. Donald Hakes.

# Four Years Pass, We Are Seniors

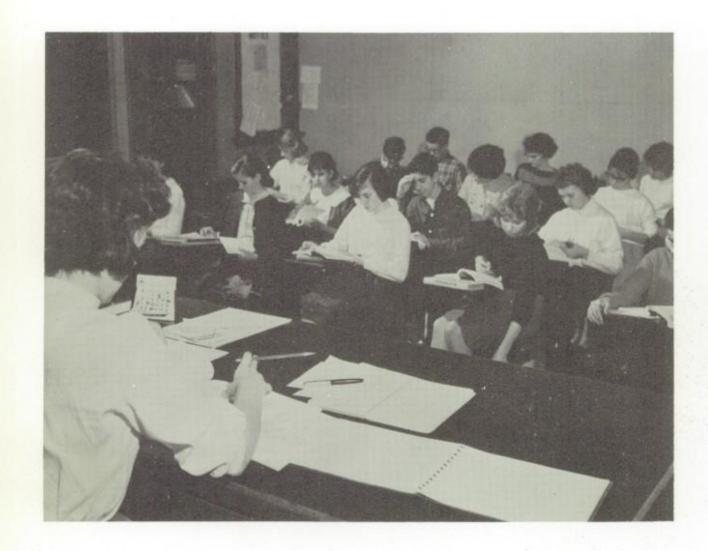

TF'ers are divided into several species
. . . four in number, each distinctly
different.

A freshman: He wears a green bow on Bow Day, forgets his locker combination, buys elevator tickets, is enthusiastic, tends to be short, takes a speech course, studies civics, is anxious to be

A sophomore: He collects "bugs," wears an orange bow, feels like an "old pro" after one year, likes Miss Jaacks, studies World History, reads Julius Caesar, remembers "Harv," studies health and safety, can hardly wait to become . . .

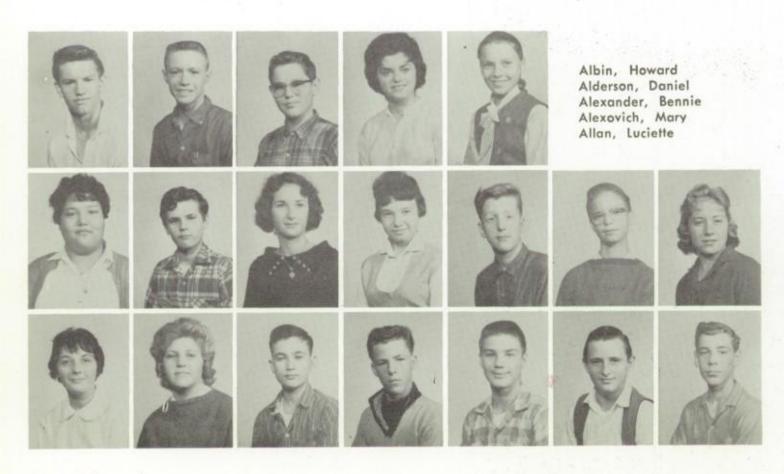

A junior: He is proud of being an upper-classman, plans the Prom, is interested in Homecoming, goes to College Night, knows Mrs. Wilson, struggles through chemistry, wears a blue bow, has earned several club pins, learns to like poetry, is groomed for club offices, orders a senior ring, looks forward to becoming . . .

A senior: He is a B.M.O.C., is fully conscious of his important position, would like to reign at the Carnival, takes college boards, understands Mr. Grossberg, has or wants his own car, worries about credits, wears a red bow, has written a term paper, wears a ring proudly, gets "misty" at graduation, goes forth to "Horizons Unlimited"!

The Freshman Class has just begun its high school career and can look forward to three more wonderful years at TF North.

How can we ever forget the socials, the Thorntonian, the Freshmen Mixer, the Big n' Little Sister party, and the joy of participating in high school sports?

# Juniors Assume Responsibility

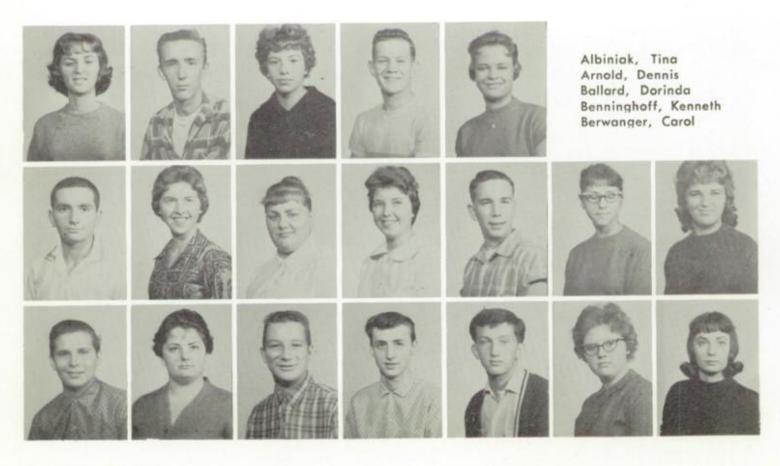

Learning throughout the year how to accept responsibility and become the leaders of tomorrow were the members of the Junior Class.

This year the Junior Class accomplished much in the way of social activities during the school year. It was the responsibility of the class to organize the Carnival concessions in order to raise money for the most important social event of the school year, the Junior-Senior Prom. The officers also arrange for the election for the forth coming year.

## HONOR SOCIETY

Seven seniors and twenty-two juniors were installed on April 13 in the National Honor Society at a solemn candlelight ceremony. Eighteen seniors who were installed in their junior year also participated in the ceremony. The students were elected to the society on the basis of scholarship, leadership, character, and service.

The sponsor of Thornton Fractional's chapter of the Society, Oasis, is Miss Irma Stefanini.

Jerry Jurecki was the president of the thirty-third annual installation and Danella Evans was the vice-president. The following gave speeches explaining the Society:

## **Seniors Face Unlimited Horizons**

Many memories of school life will be held and cherished by the Senior Class of 1961. Just as the seniors "enter to learn," they shall "go forth to serve." Some of tomorrow's leaders will be found in the 1961 graduating class of Thornton Fractional North High School. The world holds many opportunities for them after graduation.

The four senior class officers guide the way of the entire class. The various duties of the officers are such as appointing the necessary committees for the commencement exercises, organizing special senior class assemblies, and promoting ideas to earn money for the senior class gift.

Frightened glances and worried expressions were a common sight on freshmen faces as students entered TFN on September 6.

The first social of the year was "Special Edition" sponsored by the publications.

The Girls' Club held their annual "Chocolate Chats", which acquaint the freshmen girls with North's Girls' Club, early in September.

"Big sisters" escorted their TF "little sisters" to a party given in their honor on September 13.

The football season was here and the PAB sponsored one of its "days," Paper Hat Day, which was held on September 16 was a huge success.

TF North salesmen were spurred to sell magazines after an inspiring assembly of September 20 for the annual magazine drive.

TF'ers honored a former teacher on October 7 with a "Hi, Harv! Day". Mr. Harvey Lambka was honored on this day at the dedication of "his" flagpole by the Boy's Club and the entire school.

During October, PAB continued to promote school spirit by a "Sweatshirt Day, Shoe Day and Tie Day".

"Mad" was exactly what TF North was the night of October 28, 1960 when we had our annual Carnival. How can we ever forget the "Beat" stage show, Donna Pearson and Bob Hopp being crowned "Carnival King and Queen", the Concessions, and last of all the dance.

School re-opened after the Christmas Vacation on January 4, when everyone returned to school donned in their Christmas sweaters and shirts.

Mary Strycula, Jim Dempsey, and Dave Shneider appeared on "Rubuttal", January 7, to debate: "Resolved: That the school year should be lengthened. They presented the affirmative side.

Throughout January TFN's basketball team battled hard against their opponents but with little success.

Cramming was very common during the last week of January when TF'ers decided that they needed to pass their Mid-term exams.

The theme of the annual Charity Dance was "Taboo", which was held on January 25, marking the end of the first semester. The Charity Dance is the only time when TF students are asked to donate for Charity.

And what is so rare as a day in June?
Then, if ever, came perfect days;
Then Heaven tries earth is it be in tune,
And over it softly her warm ear lays;
Whether we look, or we listen;
We hear life murmur, or we see it
glisten;
Every cloud feels a stir of might.

On June 9 the Senior Class of TF North graduated. With mixed emotions the graduates received their diplomas and bade their teachers and friends a fond farewell as they reached the goal they set up four years ago.

One scene students will long remember.

We would like to extend our thanks to:
Our photographers, Rich and Wayne
Our printers, DeLaney Printing & Litho.
Mr. Paul Radziejeski who assisted with the taking of pictures and lastly the Journalism Class who helped with everything.
